**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We previously had dsl with ATT, but switched to Sonic for better customer service, faster internet and support of a local company.

I would hate to back.

Sonic also provided a land line number that wasnt included in the ATT service without extra cost.

Sonic has improved my internet and continues to look for ways to improve with expanding the fiber optic network.

The competition in this case seems to be working.

Thanks
